\*Varsity Concessions Coordinators: Alice and Dan Farricker – 322-8452

**\*\*Contact information for each athlete is enclosed. If you are unable to work your assigned date and time it is YOUR responsibility to swap with another family. Please do not call the coordinators if your assigned time does not work for you.**

\*\*\*This year we are adding “Clean Up” to the work schedule. We are requesting that all parents in attendance for the final game help make sure the gym and bleachers are clean and free of trash after the game. This should take 5-10 minutes after each game. Assistance from everyone is greatly appreciated by the staff and the concessions coordinators.
